# JACKETS AND VESTS

Every kiwi needs these essential items. Whether its showerproof, winter weight, mens & womens, we can offer the latest fabrics and styles.

# POLOS

Colours and fabrics come in a wide selection. Smart or casual, cotton rich or performance type, long or short sleeve - we can make.

# KNITWEAR

Includes a range of custom made jerseys, cardigans, scarves and gloves, wool mix or merino – made to your needs.

# T-SHIRTS & SINGLETs

Perfect for events or casual wear.  
Endless options for branding  
messages, cotton rich, lightweight  
and breathable – you choose.

# FLEECE GEAR

A modern material that offers endless options in range offering different weight fabrics, colours, styling for jackets, pullovers and vests.

# HI-VIS SAFETY WEAR

With ever demanding workplace safety laws there are choices to be made with hi vis and reflective safety options.

# WORKWEAR

The key to successful workwear is to deliver apparel that fulfills the brief where durability and comfort reign supreme. Company colours can be adapted to suit, but mockups are key to test drive the choices made for staff.

# HOSPITALITY

Recognised company branding comes to the fore here. Cool colour schemes that respond to company design specifications are followed.

All shapes and sizes are to be catered for - so we embrace the challenge for the short and tall to the body shapes of the young and mature.

# HATS, CAPS & BEANIES

Styles come and go, but whether its to be a functional wool mix beanie or fashionable headwear, the designs are endless.

# BETTER VALUE WITH BETTER PROCUREMENT

As opportunities present themselves, clients can now confidently get apparel made and delivered offering the benefits of cost savings. We can offer better buying options, should the volumes be sufficient enough that sharper pricing is passed to clients.

**FREE SAMPLING** should inquiries continue to order completion.
